1. I give you operationally Me, I give you administratively Me, I give you planning Me, I give you strategic Me, I give you tactical Me. Planning Central, Ted, remember? I love you. Pull out your papers and notes on Planning Central, review, recite, wow, utilize, share, become all of Me. Even then—for now—six years ago (smile). I love you. I love you, Ted, Barbi, Amy, Christopher, My four, and so many more, Marci, Evie, and My family growing. I love you.

2. Reader, hearer, wonder-er, believer, doubter, I love you. Generational forces of only Me—purity, purity unrestrained, untainted, My river flowing. I love you. I love you and I give you Me.

3. I give you power and authority. Tread over serpents and over all the power of the enemy you are, you have, you will more and more, walking in the authority that you exercised this morning. I love you. Powerful power, powerful power, powered only by Me, propulsion systems of Me.

4. Phrases of Me used repetitively. I love you. I love you. Phrases that describe what I am doing, phrases that describe what I am pulling My people into, and what I am pulling into My people. I love you and I give you Me.

5. Administratively Me, operationally Me, tactically Me, strategically Me, Planning Central be—connecting My grid-like structures, My temples not made with hands, My towers of reflectors made up of only Me, reflecting My beauty.

6. A man of sorrows acquainted with grief can be so beautiful in the face of My body, My who accept Me like I truly am, in truth, faith, trust, under-girding by Me.

7. I am Me-ing My Mine, and it's time now for My body to mine My Me, My words, My diction and grammar liked or un-liked—proved, to provoke, in or out, up and down, through and through, going through My words given, allowing Me to be seen, chapters of only Me, My words. I love you.

8. Helpers—no shortage, talent—plethora, volunteers—abundance, finances—unending, creatively construed by the consuming fire that I am. I am I Am and I come in fire.

9. I am in My blood and My blood is Me. I am in the Water of Life for the Water of Life is Me. I am in My body for My body is Me. I love you. Deep things of Me, deep things of Me coming forth for the insecure, inanimate, un-emotion'd heart, restricting My entry.

10. Thought of Me, thoughts of My power, thoughts of My speaking like this so strange, so foreign, so adventurous, thought perilous, but how comforting—comforting to My adopters, those who open their eyes to only Me, think for themselves through their spirit, letting their spirit speak to them, through them and allowing Me to speak My own words through them to confirm these words, many I will. Watch Me.

11. See Me. Agree with Me. Create, and complain not. Burden yourself not with that which you cannot carry. Angry not, be with Me, perceiving Me in these, and envious be, no rejecting these and mocking. Careful now, careful be.

12. See Me. See Me please. See Me doing a new thing this day, see Me turning the tide, turning the tables upside down in the temples—judgment starts at the house of God, has, will—begun. I love you. Mass exodus, mass entrance, ingress and egress of receivers and rejecters. I love you. Egrets strutting around powerfully, pecking their beaks around over other's shoulders and into their lives, diminished now. I love you.

13. Powerful protrusions on people's foreheads caused by pain, suffering, anger, often self-inflected, masochistic tendencies, I come now to untangle, set straight, ameliorate, healing.

14. Rees Howells of Me, Ted—share far and wide to every tongue and every tribe [1]. I love you.

15. Graham Cooke and Tommy O'Dell I have spoken of before: review, recite, re-acquaint. I remove any hindrances in your path of moving forward with both. I love you. I love My Tommy [2]. Graham Cooke [3] of only Me. I love you.

16. Prophet be, prophet work with, prophets develop, multiply, manifold witness of only Me. I love you. High-diving My all 5'd in regions thought destitute. It developed coming at My knee.

17. Receive, recite, review, remake the waste places now with the word of My mouth, the word of My mouth through the word of your mouth—word of your mouth reciting the word of My mouth—correcting, correcting, connecting, sinew-ing you into the fabric and tapestry of the royal line, of David himself, My David, Me—royally creating

tapestries, My blood reflected, My River of Life tapestry'd through the lives of My who will let Me, who will sawed in half, not be afraid of—life died, life arisen in true life, now living in. I love you. I love you. I love you. I love you.

18. Remaking, rebuilding the waste places I am. The destitute come, the desperate come, the desiring come, the demanding come, and some arrogant and insolent come demanding to know and be seen, but I deal at the Cross and all through the Cross came and all through the Cross must all come—redemption, My blood flowing, meekness resulting. I love you.

19. I am in meekness, one of My traits, one of My attributes, one of My values, a reflector of Me. Meekness can never be far away, Ted. It must be you and you must be it, for I am meek and lowly and if you are Me, Me'd, you are meekness displayed, personified, not adopted but permeated—impregnable then, in meekness, by the power of My throne, My throne enthroned by your throne, My throne made perfect in you. I love you.

20. **Now arise operationally, administratively, tactically, strategically and Planning Central be**. Who My who love Me, who come My wonders, My wonders who wonder, and My wonders who stagger at the weight of My words flowing now through them, ready, willing and able, unafraid, towers of strength in every size and color. I love you.

21. Arise and walk forward with My beginning five and increase and reticent be never. Many supporting, buttressing friends and financial flows come now to accelerate the sweep of My hand seen.

22. Towers of only Me. Forty soon. Forty times forty and forty times more. I love you. I love you and I give you Me. Forty inside, forty outside, forty becoming Me. Forties, Ted. Maximum of Me. Thank you. I love you.

23. Teams, covenants, washing each other's feet, bowing low, honoring, honoring, honoring, respecting, kindness-ing, healing the foreheads, the hearts, the past, empowering the future now, now is, now is, now are, see Me.

24. Retreat centers, ships, palaces, innovative camps of only Me. I love you. Teams traveling to remote places often, taking My tender delicacies and forming the fashions which adorn Mine who are ready—healing, maturing, connecting, building, rebuilding, reviewing, reciting, originating, powerfully flowing in Me, letting Me teach, construe, correct, connect, and consume with My fire.

25. Remote yes, and beside you yes, and throughout the metropolis and the mega-cities many. I love you.

26. My towers, My strength, My responsibility, your obedience; My blood, your meekness; (laughter) your smiles, your laughter, your tenderness, your jesting and coarseness none, complaining none, creating continuously by the word of your mouth, authoritizing My who have My authority already and don't know it, don't know it, don't know it—destitute, despondent, depressed and misdirected, ministerially challenged, ministerially unchallenged, ministerially mired in administrative and business matters that derail, delay, divert, pre-empt and push Me aside.

27. But now I come to the forefront, on front pages all. Watch Me. No one will miss the sweep of My hand. In power I come, in power I fall the mighty, with them wondering what made them fall—rejecters receiving My wrath, not knowing the hour, the day, the way, the means of their demise, their diminishment. They have dismissed Me in their own hearts as being a wimp, or alive not, and oh will they be surprised!

28. I come and I call and I confirm that I am in these words and that you are Me and that I am you and I am Mine-ing My body through My body. I am Me-ing My body through Me, and you are inextricably intertwining My maturity with time with Me, which has to be, which can only be, which comes from My knee, time with Me, time in My chambers, time in My quarters with Me as priority, and **those who don't want Me an hour a day, don't want what I have**.

29. Am I worthy? Are they worthy? Are My words worthy? An hour, is that too much to ask? I asked this before. I come again and I review and I recite many of My words of the past. I connect and I sinew now, I sinew you, I sinew you, I sinew My words, and I sinew you into My words and My words into you, and I connect as I have and I always will.

30. See Me, hear Me, feel Me, and become Me. Question not the power of My ways and the ways of My power, the ways of My concentration, confirmation.

31. See Me, hear Me, feel Me, become Me. Love Me, toothless and elite-thought, I love you.

32. Now go. Go and rest. Go and feel My power. My power comes and increased, increased it be, it becomes, it generates, it magnamifies. Ted, it purifies, purifies, purifies.

33. A coal off of My alter on your lips—thank you for praying that so many times [Isaiah 6:6-7].

34. Yes, the Kingdom of Heaven suffereth violence and the violent take it by force [Matthew 11:12]. You pondered, you pondered, you prayed and I thank you.

35. Thank you for coming into Me and tenacious being, putting your hand on My thigh, your hand in My side, afraid now never, never again, not of foe, not of men, not of fear, only of living without Me and My flow through you, My River, My River of Life, My River of Peace, My River of who I am really, really-ing My people into reality royal, abundant life.

36. That's what I mean, that's what I meant, that's who I am and I am doing a new thing. Watch Me. On the sidelines sit many, quoting scriptures they think right, applicable, having no clue as to the reality nor their applicability and My nature to create, and the maturity I am calling My bride to, to receive her bridegroom soon, now, now, now. Thank you.

37. No foe, no fear, no frontier now that you cannot conquer. Go for it in the power of My love, particle'd by My truths, My light, My River of Me. Thank you. Rest. Big day, much accomplished. Thank you. My time with you this morning so lovely.

38. Thank you again for your tears, your focus on Me, your fascination with My enrapture-ment. I told you all the words that I told you are true, and experience them you have, you will, magnanimously, cataclysmically wonderful. I love you.

39. Strengthened be. The task ahead is yours: lead, lead, hire, trust. All flows to you now—My river of rivers, My rivers plenty, My rivers of creativity, productivity and synergy, one-ness in Me, My alters coming forth, My anointing oil and communion kits empowering My priesthood of all believers, multiple manifold, technology of only Me, gurus and scientists and those of every level now, they line up, they line up, waiting in line to come, to participate, to volunteer, to pay, to share, to learn, to receive from My meekness'd, drink-offering'd, dead ones who live now in such joy, laughter, and power, and life abundant, untangling the emotions, smoothing the foreheads, applying the eye salve, giving megaphones and platforms to those now who My message comes forth from, accelerated by the power of love, from My lovely, loving all of My body.

40. I thank you. I thank you. Go rest. Goodnight. Goodnight. Goodnight My love. Good night
